REQUEST FOR PROPOSAL (RFP) - TERMS

General Terms (if applicable)

- > School districts will comply with fair and competitive bid process, either by state law or rules of Universal Service Administration Company (USAC)- Schools and Libraries Division for E-Rate discounts.
- > All requested products and services may be contingent upon Erate funding approval and /or school board approval.

Service Providers must meet all terms and conditions set forth by Universal Service Administration Company (USAC)- Schools and Libraries Division Erate program for discounts. Service providers must provide SPIN# (Service Provider Identification Number) on bid/proposal response.
- > School District may award bids or proposal by per product, per project or entire bid basis. Best price and most cost effective scored highest factors on bid evaluations.
- > All products and services proposed must be operational and compatible with all network equipment brands/software used by school district. At no additional cost or equipment required to the school district.

Bids/ Proposal must meet or exceed minimum specifications requested hardware or services requests. For Internal Connections equipment, no refurbished equipment is accepted unless otherwise stated. Equipment must be commercial or enterprise models, no retail models accepted.
- > Bids may offer multiple options (bids/proposals) for additional consideration. (including multiple make(s)/model(s)/manufacturer(s), installation, configuration, labor, etc.)

All hardware bids must include specification sheets (white papers, if applicable). All Software, licenses, maintenance and warranties information is required (manufacturer offering or otherwise) for all proposed products and services.
- > For most eligible services such as Installation, Basic Maintenance, Managed Internal Broadband Services, etc. - Service Providers must be within 100 mile radius (approx 1-2 hours) from school district location). If using sub-contractors, required disclosure of the contracting company and information.
- > School district may allow State Contracts as an option to receive bid prices. (a mini bid would be required). Service Provider quoting state contract prices must include a copy of the State Contract as part of their response.
- > OPTIONAL : School district may include (but may not be required for requested services) a site visit for specific products & services requested, as posted on RFP. Preference is to schedule group visits to ensure all service providers are offered the same time to ask questions, take measurements, or make note of any barriers to services offered. Group site visits allow for additional communication as well as limited interruptions to school campus and student activities. Two (2) dates and times will be available for groups to meet. (within the required USAC 28 day "wait period".) Site visits are recommended, unless otherwise stated as a required action, only if dates are set and stated in RFP. Site visits attendance may be a factor in bid evaluation results.

> All bids/proposals must include any miscellaneous charges: change fees, contingency fees, shipping/freight, lease or rental fees, per diem and/or travel fees, taxes, surcharges and other similar, reasonable charges. (as listed on the eligible services MISCELLANEOUS FEES list - all other charges must be described and noted as not eligible for discounts.)

> All bids/ proposals MAY include any installation, activation and initial configuration fees: design and engineering, project management costs, and/or on-site training. (as listed on the eligible services MISCELLANEOUS FEES list - all other charges must be described and noted as not eligible for discounts.)

> Depending on USAC CAT2 budget limits, the school district may reserve the right to change the order to meet budget constraints. The school district will be responsible for charges ordered and not covered by USAC.

> Bids/proposals, contract/agreements may not contain liquidated damages or cancellation charges. Such charges are considered not eligible for Erate discounts.

> If equipment installation is requested, it is highly recommended the service provider attend a site visit at the school's posted date or time, if posted.
